A highly impactful Seatrade Maritime Qatar

With the launch of Seatrade Maritime Qatar, we set out to start a journey. A journey that will see us work in partnership with local leaders and stakeholders to bring the maritime and logistics world to Qatar, catalysing growth and accelerating the momentum and energy that is already palpable.

I'm delighted to see that the start of that journey has been highly successful. We saw thousands more attendees than we had targeted, excellent displays of services and expertise through the exhibition floor and a stellar line up of international speakers in the main conference.

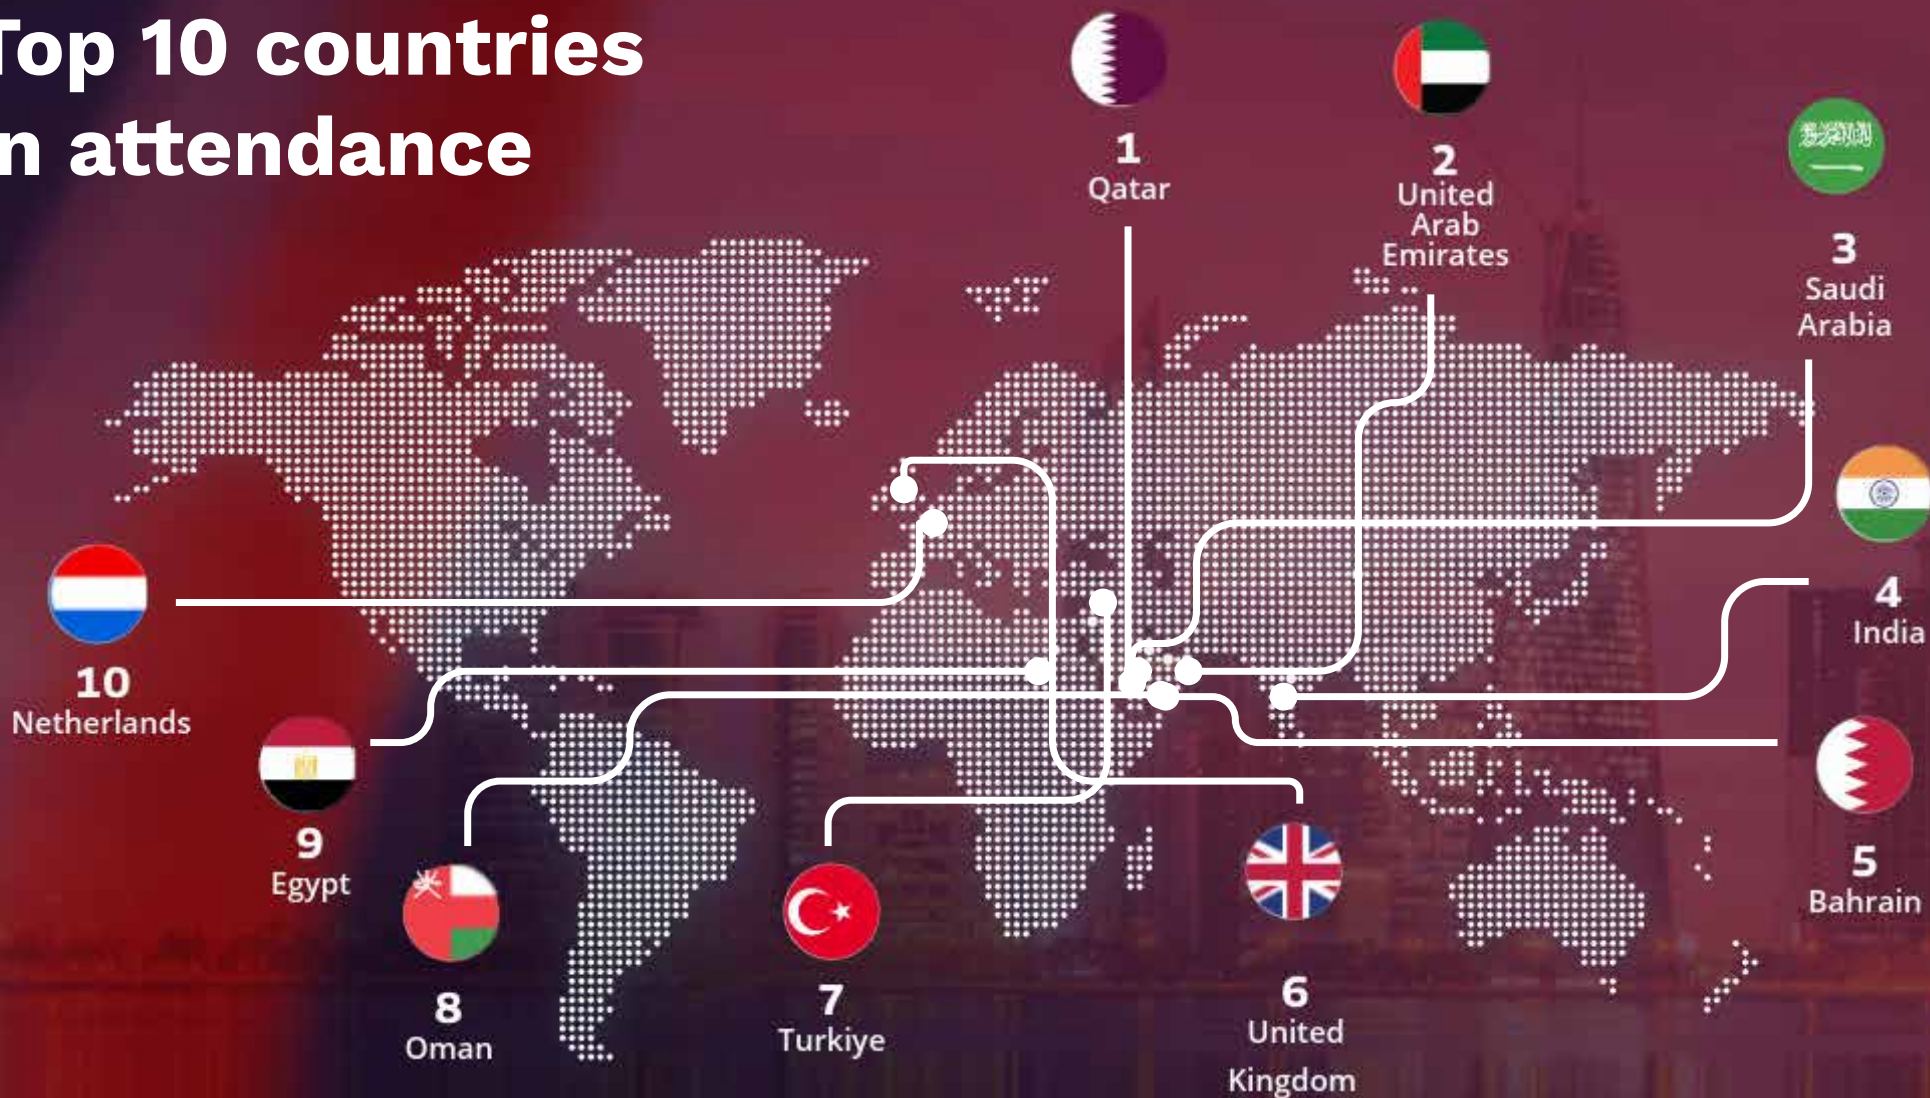

It's thanks to our host H.E. Sheikh Mohammed bin Abdullah bin Mohamed Al Thani, Minister of Transport; and Capt. Abdulla Mohamed AL-Khanji, CEO of our Founding Strategic Partners Mwani Qatar that we were able to achieve a successful inaugural event. As I said in my opening address, success thrives through partnerships and, the collaboration with our Main Sponsors Qatar Free Zones Authority, Milaha and QTerminals, demonstrates just that.

Thank you to all our sponsors, exhibitors, speakers, visitors and supporters. We are extremely excited for the next chapter of this event and what the future holds and we hope to see more and more stakeholders joining us each and every time. If you're reading this, I encourage you to join us in some capacity in 2026. I'm confident you will not regret it!
